Fueling Kids' Futures Overview

- **Fueling Kids' Futures** is a "neighbor-helping neighbor" program that is designed to help meet the nutritional needs of children and families.
- Each week, volunteers distribute bags filled with enough non-perishable food for the weekend (six meals) to hunger-insecure students.
- While it seems unlikely the children in an affluent county like Oakland would go to bed hungry on weekends, in reality, 30% of the students in the school districts are at risk. West Bloomfield has 1,189 children who qualify for this program.
- The goal of the **Fueling Kids' Futures** program is to keep these students from going hungry on the weekends and remove barriers to academic success.
- The West Bloomfield program is currently serving over 300 children in our schools.

Benefits of the Program

- Research shows that healthy, well-nourished children learn better, are more likely to attend school and are able to take advantage of educational opportunities.
- This program is making a difference in the lives of children. Studies demonstrate:
 - Improved Test Scores
 - Increased Attendance
 - Greater Attention Span
 - Improved Class Atmosphere

Sponsor a Child

- With the support of Kroger and your donation of \$160, we will provide food to one **West Bloomfield School District** child each weekend for an entire school year!
- All money donated is tax deductible as **Fueling Kids Futures One Meal at a Time-WB/KH**. It is a Component Fund of the Community Foundation of Greater Rochester.
