The Taste of Waterford is returning for the second year supporting Fueling Kids' Futures-Waterford. This year the event will be held at the Mott High School Cafeteria. Join us to dine on a tasting of best dishes from local restaurants, entertainment, networking with colleagues, family and friends through this signature event, designed to connect Waterford and the greater community while raising money to feed children.

- Square One Eats and Treats
- Trini & Carmen's Mexican Restaurant

Fueling Kids' Futures
Program designed to help meet the nutritional needs of school-age children who attend Waterford schools. For qualifying students who receive their main meal at school during the week, a bag consisting of six meals of non-perishable food is sent home each Friday so they have food over the weekend when they are not in school. A bag of food is a simple thing but it can be life-changing for a child.
